Enrique L. Portela

FULL STACK DEVELOPER · DATABASE ADMINISTRATOR · IT SYSTEMS ENGINEER

PROFESSIONAL SUMMARY

Results-driven IT professional and software engineer with **5+ years of hands-on experience** in full stack development, database administration, and enterprise IT infrastructure. Proven track record building production-grade applications and managing multi-site IT operations from the ground up. Self-directed, bilingual, and consistently delivering beyond expectations.

EXPERIENCE

Tecnica Systems

IT PROJECT MANAGER · FIELD SYSTEMS ENGINEER · HELPDESK

- Led end-to-end IT infrastructure deployments for multi-location retail clients — Windows Server, virtualization (VMware/Hyper-V), Active Directory, and network configuration
- Integrated third-party delivery platforms (DoorDash, Uber Eats, Instacart) into POS ecosystems; maintained Toshiba self-checkouts, PDAs, smart scales, and display networks
- Configured VPN tunnels, firewalls, and LAN/WAN environments ensuring security compliance across all client sites
- Progressed from Helpdesk → IT Field Technician → Project Manager through consistent performance and expanding technical ownership

ePhoneSolutions

IT TECHNICIAN

- Diagnosed and repaired smartphones, tablets, and laptops achieving high first-time fix rates in a high-volume environment
- Provided technical consultation and managed device inventory, driving both sales and customer satisfaction
